

Grants for

Advancing Cattle Well-Being

Do you work with cattle? Are you an innovator? Want to do even more?
Bayer is offering up to **€30,000** in grant support for cattle well-being projects

Who should apply?

- /// **Farmers** and farm animal keepers
- /// Practicing **veterinarians** working closely with farmers to advance well-being
- /// Graduate **students and researchers** in veterinary, animal or agricultural science who engage with farmers in their research on cattle well-being

How can I apply?

Submit your application by 25 June 2018 at <http://go.bayer.com/Care4Cattle> and include:

- /// A completed submission form
- /// A project proposal
- /// A letter of motivation

For more information, contact your Bayer representative.

*Because what benefits the animals,
also benefits the farm.*
